TOP 5 REASONS TO BECOME A FOSTER PARENT

1. SAVING A LIFE

You made a life possible. Without you, this animal would not stand a chance and its life would be cut short.

2. SPRUNG FROM A SHELTER

You will not forget the joy of watching a cat enjoy the comfort of a home, not the confines of a cage.

3. NEW FRIENDS

Like to talk about animals? By fostering an animal, you will meet others with the same compassion. These people will become your friends.

4. ENTERTAINMENT

Fostering animals provides constant entertainment. You will find yourself laughing and smiling more often.

5. FAITH IN HUMANITY

Through fostering an animal, you will meet people who work tirelessly to save animals and your faith in humanity will be renewed!

Rescue groups save animals from shelters who otherwise would be euthanized. They can only save shelter animals if foster homes are available. Can you help save a life and become a foster parent? Contact us at sjanimaladvocates@gmail.com
